# 7th Chords and Inversions

1. Write in FACEGBD
2. Are all the notes stacked? (Tall snowman.)
Color the lowest note. This is the name of the chord.
3. If not, find the two "lop-sided" notes.
Color the top of these two. This is the name of the chord.

Even when notes are missing, follow the same process:
    1. Is it a tall snowman?
    2. If not, where are the "lop-sided" notes? Top is the name.

Even when notes are missing, follow the same process:
   1. Is it a tall snowman?
   2. If not, where are the "lop-sided" notes? Top is the name.
